Life under Law or Life with Christ

Galatians 2:15-3:5

1. Based on the previous study of Romans, how should we understand the terms "justified," "justification," "righteousness?"

2. Again, based on the previous study of Romans, how might the phrases, "faith in Jesus" be better interpreted?

3. What was wrong with the understanding Paul's opponents had concerning the law (Torah)?

4. In what ways can we today view the NT in the same way Paul's opponents viewed the teachings of the OT.

5. What did the timing of the Galatians receiving the Spirit and the coming of the false teachers say about the need for the Galatians to follow the teachings of Paul's opponents?
