

Knowing Christ
Philippians 3:1-16

1. In what ways do our religious practices become the same thing to us that it became to some in the first century?

2. What keeps the things we do, even our religious rituals, from becoming a hindrance to our Christian walk?

3. What did Paul say is the goal of the Christian life?

4. How does your answer to #3 differ from how others, or even yourself, might have answered that question in the past?

5. What does it mean to know Christ?

6. Discuss the impact that knowing Christ has on our lives?
