Joy, Peace, Contentment, and Fellowship
Philippians 4:2-23

1. Give examples of how the peace of God influences your life and the life of you faith community.

2. Identify some cultural values that the world pressures us to focus on and the opposing Christian perspective that needs to be the focus of our thoughts and resulting behavior.

3. Share a time when you were aware that it was the strength of God that empowered you to live out the gospel in a difficult situation.

4. How can anyone be content in both plenty and need?

5. What is most important reason for living out the gospel in our world?

6. What does “the glorious riches in Christ Jesus” mean in your life?
